To complete the additional steps required for Apple installation, tap the Settings icon that is typically found on the Home screen.

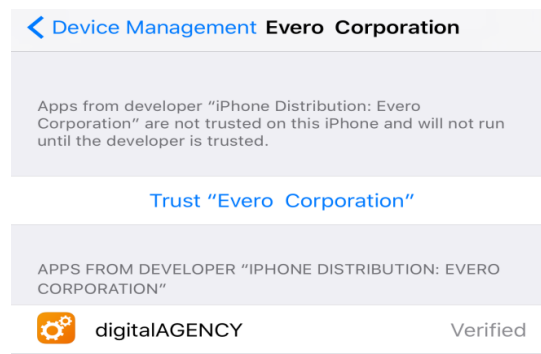

Once you have opened the **Settings** screen, select **General** and tap **Device Management**.

You will see **Evero Corporation** listed under **Enterprise App**. Tap on **Evero Corporation**.

Click on **Trust "Evero Corporation"** as shown below. This will allow your mobile device to install digitalAGENCY™ Mobile through a source outside of the App Store.
